TIPS

MATTRESS CARE

Rotation

Spin 180° every 3-months for even wear.

Airing

Uncover for 15 min every sheet change.

Protection

Always use a high-absorbency protector.

Cleaning

Spot clean with mild soap, avoid harsh chemicals.

Storage

Store flat, never stand upright.

Support

Use a correct-sized sturdy bed frame

Usage

Avoid jumping; keep weight off edges to protect internal support.

Handling

Use side handles for positioning only, never for heavy lifting.

Sizing

Double-check frame dimensions to ensure a perfect, snug fit.
